1 OCEAN/USDT 3x 330USDT

1.1 Nov 1: 20:20

- Textbook complex-pullback buy. Using 50% total USDT. Visual stop loss at 0.95ish.
- Greedy, bought early for average price of around 1.13.
- Currently have 878 OCEAN
- Plan to liquidate half at 1.25 (previous high), another half at 1.30 ish.
